SIR,

M. 262 28-3.

I have the honor to forward herewith the report on the -- administration of the Sri Billigiriranga Swami temple, Yelandur ---- Jahagir with its enclosures received with Mysore District Deputy Commissioner's letter No.D.M.427/29 dated the 25th November 1929 for the year 1928-29.

The report discloses that the income is less by Rs.152-10-3 than last year, while under expenditure there has been an increase of Rs.141-8-10 and Rs.178-7-1 for establishment and miras respectively. The reason for the same has not been given.

In the loan account, it is stated that Rs.597-12-9 have been credited to the temple funds by the Jahgirdar while there is a receipt of Rs.500/- only on the receipt side. The discrepancy will be pointed out to the Deputy Commissioner for ascertaining the reason from the Jahgirdar.

A sum of Rs.10,102-3-3 has been shown as arrears of contribution due on account of contribution towards tank work. There has been no collection to arrears this, during the past 2 years.

Against a demand of Rs.28,210-3-1 of which the previous -- years arrears alone amount to Rs.19,016-7-9, only a sum of Rs.8,305-9-4 was collected. The balance outstanding is Rs.18,906-3-9. This includes the contribution amount of Rs.10,102-3-3 mentioned -- above

above and a sum of Rs.7200/- which is due in instalments of Rs.500/ a year. No serious attempt appears to have been made by the --- Jahgirdar to recover the arrears. He has not even replied to this office reference calling for a report on the observations made by - Government in their order No.1349-50/Muz.252-28-2 dated the 18th - January 1929 in reviewing the administration report of this temple for the year 1927-28, in spite of repeated reminders.

The heavy balance outstanding has to be recovered without delay and the question of apportionment of contribution for the -- restoration of Gowdahalli tank between the Jagirdar and the temple has to be settled early.

The whole of the accounts of the temple requires to be --- thoroughly audited and the exact position of the temple funds --- ascertained and a scale of income and expenditure fixed. The -- affairs of the institution are in such a state of confusion that no help can be expected from the Jagirdar to set the things right and an independent examination is necessary. I am sending the Muzrai Auditor for a detailed examination and shall get the work checked by Mr. Narasimha Aiyangar Assistant Commissioner, attached to this office and make a further report as to the action to be taken.

I have the honor to be,
